### Summary of the Activity:

The main objective is to have a better understanding and sensitizing the student, the real life situations of the specially disabled.

Gilead Special School was established by a parent of disabled children for their upliftment way back in 1989. Now affiliated to Spastic Society of India. Students were segregated according to their disabilities. Offering Special education, Vocational training, counseling to parents, community based rehabilitations, and Hostel facilities to specially abled. Students comprises of Cerebral palsy, Mentally challenges, Hard of hearing, Autism, Multiple disabilities.

We left the college at 10 am by college bus. On reaching the school we were received by office staff. The students activities involved helping envelope making at vocational training units, as there was a large demands for supply demand. 5 Semester students individually assist class teacher of different unit. We had an opportunity for a warm and friendly interactions during their lunch break. Sweets and drinks were distributed to students and faculty members. We enjoyed every moments, We gained an insight knowledge of the disabled's life. The disabled children were imparted with basic life skill so that they can become independent emotionally as well as physically. Arrangement was made to visit all the classes by participant. Our visit came to an end, and left the premises by 1:15 pm.

**Any other information/ suggestion:** Any kinds of voluntary helps is always accepted. Awareness and sensitization to the need and upliftment of the disabled is necessary, participation on the part of our college will of immense help.

We sincerely thanks our Principal who made it possible to visit the school and RUSA for Sponsoring the Programme.
