This day commemorates the invention of the Raman Effect by the great Indian physicist, Sir Chandrasekhara Venkata Raman. It was on this same day that Sir Raman made to the world his greatest invention, the Raman Effect, in the year 1928.

he things we are doing today is science but tomorrow it will become Technology.

Explanation :- The new things invented by will be a technology tomorrow

Aatmanirbhar Bharat

(a) developing indigenous technologies

(b) adapting imported technologies.
