**BRIEF REPORT OF WEBINAR ON OBSERVATION OF SWACHHATA
PAKHWADA ON 14th AUGUST 2021**

On 14th August 2021, 7:30 pm NSS Unit, Govt. Zirtiri Residential Science College and Cleanliness and Sanitation Committee jointly organized OBSERVATION OF SWACHHATA PAKHWADA (Cleanliness fortnight) Webinar under the chairmanship of Dr. C. Zoramthara, Chairman of Cleanliness and Sanitation Subcommittee. All 1st Semester students from all streams *i.e.*, BSc, BSc HSc and BCA are informed to attend the programme. The Resource person Dr. Rebecca Vanlalsangi Department of Biochemistry and Cleanliness Committee member, GZRSC highlight the important focus area on Plastic free villages of youth organizations, Promotion of green villages through Plantation and Maintenance and Adequate sanitization Facilities in all villages. The main objective of this programme was to spread awareness among the students about the significance of Cleanliness and its benefits. The role that can be played by every individual by excluding plastic uses and maintaining and promoting plantation of trees are highly suggested for having clean world. Hoping the students of the college took one step forward towards "*cleanliness*". It was an interesting and fruitful webinar.

The program was concluded with a vote of thanks given by Mr. Lalnunthara, Program Officer (PO), NSS Unit, GZRSC by quoting '*To make India Clean, Just do it*'.
