

REPORT ON AWARENESS PROGRAMME ON CORONAVIRUS-COVID 19

Date : **16th March, 2020(Monday) Afternoon**
Place : College Auditorium, GZRSC
No. of Participants : All teaching and non-teaching Staff, All Students.

As per the decision taken by the emergency meeting in pursuance of the direction given by the Directorate of Higher and Technical Education, Government of Mizoram, an awareness programme on Coronavirus- Covid 19 was organised on 16th March 2020 at the college auditorium. The resource person invited for the programme was Dr. C. Vankhuma, Asst professor, Community Medicine, Zoram Medical college, falkawn. Unfortunately, the resource person could not make himself available as he was called for an emergency meeting with the Chief Secretary of Mizoram. However he was able to send the presentation he had prepared for the programme and it was presented effectively by Mr Remlalsiama, Associate Professor GZRSC

Teaching and non-teaching Faculty members and students of all streams attended the awareness programme which was divided into two slots. An interactive session was opened for both sessions and the students responded enthusiastically. The questions posed by the students regarding the Virus and preventive measures were answered by the teaching Faculty. Questions pertaining to medical aspects were answered by Dr C.Vankhuma over the phone. The event was a great success and was telecasted as a news item by the local television.
