FROM THE PRINCIPAL'S DESK

At the very outset, I can't help but mention and give ovation to the swift and fast functioning of the IQAC team in producing College Year book twice in a row during this pandemic atmosphere. College year book 2019 was compiled, edited and published at the start of April 2020 and now after a lapse of not more than five months only, Year Book 2020 is ready for publication. The Cooperation from different Departments and Committees/Cells in providing informations is worth mentioning too.

This year, classes had been suspended since 17th March 2020 due to Covid-19 pandemic and all the activities came to a halt, not to mention the usual academic classes but also all the activities like Annual Sports and even the University Sports. At the same time, the major setback imposed by the lockdown due to covid-19 has given us a chance to turn to technology and digital learning. In spite of the suspension of classes, the institution has continued to reach out to the students through various means. I am glad to see the untiring activities of teachers individually and through concerned committees to have continuous support to students academically, spiritually and physically. I am also proud to point out some of the initiatives taken by the institution under the aegis of IQAC to cope with our academic as well as student-centric activities:-

1. *Online classes*: Teaching-learning was continued in the online mode to complete syllabus where teachers employed google classrooms, zoom meeting apps, etc. and study materials were provided to students via whats-app.
2. *Development of Learning Management System (LMS)*: LMS was newly developed during Lockdown time and as many as 27 video tutorials were prepared by teachers on topics contained in the syllabus. These videos have been uploaded on the college website using Moodle (<https://gzrsc.edu.in/lms>) for students to access anytime.
3. *Continuous assessment using tests and assignments*: Tests and assignments were given to the students through the online mode for their internal marks.
4. *Introduction of On-Line admission through the website*: The online admission system (<https://gzrsc.edu.in/admission>) was introduced from the new academic session 2020. As a result, online and offline system of new admission could be conducted in our college from now on.
5. *Personality Development course (Online)*: The 8th Personality Development Course was conducted online using Cisco Webex Apps during 19th June -23rd June 2020 from 5:00 pm. with 4 resource persons. It was learnt that out-going students who attended this programme interacted and responded to the lectures very well. Most of the Resource persons and the courses introduced were rated as excellent. E-certificates were awarded to all participants after the end of the four –day's session.

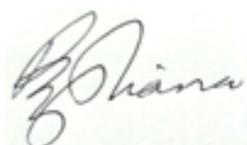

6. *Student's Support through Endowment fund and monitoring their mental health:* Contributions from Teaching and Non-teaching staff were made and provided to students who faced financial crisis via online banking during this Lockdown due to pandemic situation. The Students were also informed through whatsapp and website about the existence of the helpline for Mental and Spiritual Counseling Committee consisting of teachers who have already gained expertise in the subject. .
7. *Preparation for NAAC Accreditation & Peer team Visit:* The College is preparing for the next Accreditation and Peer Team Visit as present NAAC accreditation for our College is valid upto 24.5.2021. Various committee/Cells are doing their best in this preparation.
9. *On-going Site preparations at Durtlang Campus:* Presently, Skyridge Construction & Consultancy Services, Aizawl has taken up the Construction of Academic Block- II (Class Room) and they had started Earthwork from November 2019. Tentative month for finishing the construction is November 2020 if favourable situation prevails. Once this Academic Block II is ready for accommodation, at least B.Sc and B.Sc. (Home Science) can be shifted to new campus.

In the new Campus, we have the following buildings constructed:

1. Library Building
2. Laboratory Building
3. Boys' and Girls' Hostels
4. Academic Block –I

Boys' Hostel is ready for accommodation whereas Girls' Hostel is under preparation and expected to be ready soon.

The College has a motto- 'Lighted to lighten' and I am sure that various activities rendered by individuals, Departments and Committee will be beneficial and useful in providing necessary 'lights' to the surroundings.

(PROF. B. ZOLIANA)

PREFACE

The IQAC of Government Zirtiri Residential Science College is immensely pleased to publish the third volume of the GZRSC Yearbook which covers the academic year 2019-2020. As highlighted in the earlier volumes, the intention behind preparing this yearbook is to offer an insight into the workings of the different departments of the college and record the activities of different sub-committees. Like its predecessor the yearbook contains reports from various departments, sub-committees, on-teaching faculty and also highlights student's performances during the reporting year. This particular yearbook opens with a chapter on professional ethics and code of conduct for faculty and students. The yearbook serves as an important quality improvement measure and augments improvement of quality for all stakeholders.

In spite of the curtailment caused by the Pandemic, the editorial board has put in its best effort in preparing the yearbook. However, errors or omissions may still be found for which we are truly regretful. The editorial board is thankful to all concerned for submitting reports within the stipulated time. The IQAC is hopeful that the yearbook will also serve as an important resource material for all stakeholders.

1. PROFESSIONAL ETHICS AND CODE OF CONDUCT FOR FACULTY AND STUDENTS

Ethics is the core of human relationship between ourselves and the world around us. The purpose and role of ethics is multilayered. It includes the preservation of the human being as a person, human dignity, value system and the conditions for leading a good life.

The term ethics and values education applies to all aspects of education which either explicitly or implicitly relate to ethical dimensions of life and are such that can be structured, regulated and monitored with appropriate educational methods and tools. Professional ethics are principles that dictate the behaviour of a person or a group of persons in a business or work environment. Like values, they provide guidelines on how a person should act towards other people and institutions in such an environment,

The college has certain rules and regulations by which teacher-student and student – student relationships are maintained. Primarily, it has also adopted the code of Professional ethics outlined by the UGC.

Code of professional ethics extracted from ugc regulations on minimum qualifications for appointment of teachers and other academic staff in universities and colleges and measures for the maintenance of standards in higher education, 2018

I. Teachers and their Responsibilities:

Whoever adopts teaching as a profession assumes the obligation to conduct himself / herself in accordance with the ideal of the profession. A teacher is constantly under the scrutiny of his students and the society at large. Therefore, every teacher should see that there is no incompatibility between his precepts and practice. The national ideals of education which have already been set forth and which he/she should seek to inculcate among students must be his/her own ideals. The profession further requires that the teacher should be calm, patient and communicative by temperament and amiable in disposition.

Teacher should:

(i) Adhere to a responsible pattern of conduct and demeanor expected of them by the community. (ii) Manage their private affairs in a manner consistent with the dignity of the profession; (iii) Seek to make professional growth continuous through study and research; (iv) Express free and frank opinion by participation at professional meetings, seminars, conferences etc., towards the contribution of knowledge; (v) Maintain active membership of professional organisations and strive to improve education and profession through them; (vi) Perform their duties in the form of teaching, tutorials, practicals, seminars and research work, conscientiously and with dedication; (vii) Discourage and not indulge in plagiarism and other non-ethical behaviour in teaching and research; (viii) Abide by the Act, Statute and Ordinance of the University and to respect its ideals, vision, mission, cultural practices and tradition; (ix) Co-operate and assist in carrying out the functions relating to the educational responsibilities of the college and the university, such as: assisting in appraising applications for admission, advising and counselling students as well as assisting the conduct of university and college examinations, including supervision, invigilation and evaluation; and (x) Participate in extension, co-curricular and extra-curricular activities, including the community service.

II. Teachers and Students

Teachers should:

(i) Respect the rights and dignity of the student in expressing his/her opinion; (ii) Deal justly and impartially with students regardless of their religion, caste, gender, political, economic, social and physical characteristics; (iii) Recognise the difference in aptitude and capabilities among students and strive to meet their individual needs; (iv) Encourage students to improve their attainments, develop their personalities and at the same time contribute to community welfare; (v) Inculcate among students scientific temper, spirit of inquiry and ideals of democracy, patriotism, social justice, environmental protection and peace; (vi) Treat the students with dignity and not behave in a vindictive manner towards any of them for any reason; (vii) Pay attention to only the attainment of the student in the assessment of merit; (viii) Make themselves available to the students even beyond their class hours and help and guide students without any remuneration or reward; (ix) Aid students to develop an understanding of our national heritage and national goals; and (x) Refrain from inciting students against other students, colleagues or administration.

III. Teachers and Colleagues

Teachers should:

(i) Treat other members of the profession in the same manner as they themselves wish to be treated; (ii) Speak respectfully of other teachers and render assistance for professional betterment; (iii) Refrain from making unsubstantiated allegations against colleagues to higher authorities; and (iv) Refrain from allowing considerations of caste, creed, religion, race or sex in their professional endeavour.

IV. Teachers and Authorities:

Teachers should:

(i) Discharge their professional responsibilities according to the existing rules and adhere to procedures and methods consistent with their profession in initiating steps through their own institutional bodies and / or professional organisations for change of any such rule detrimental to the professional interest; (ii) Refrain from undertaking any other employment and commitment, including private tuitions and coaching classes which are likely to interfere with their professional responsibilities; (iii) Co-operate in the formulation of policies of the institution by accepting various offices and discharge responsibilities which such offices may demand; (iv) Co-operate through their organisations in the formulation of policies of the other institutions and accept offices; (v) Co-operate with the authorities for the betterment of the institutions keeping in view the interest and in conformity with the dignity of the profession; (vi) Adhere to the terms of contract; (vii) Give and expect due notice before a change of position takes place; and (viii) Refrain from availing themselves of leave except on unavoidable grounds and as far as practicable with prior intimation, keeping in view their particular responsibility for completion of academic schedule.

V. Teaching and Non-Teaching Staff:

Teachers should:

(i) Treat the non-teaching staff as colleagues and equal partners in a cooperative undertaking, within every educational institution; (ii) Help in the functioning of joint-staff councils covering both the teachers and the non-teaching staff.

VI. Teachers and Guardians

Teachers should:

(i) Try to see through teachers' bodies and organisations, that institutions maintain contact with the guardians, their students, send reports of their performance to the guardians whenever necessary

and meet the guardians in meetings convened for the purpose for mutual exchange of ideas and for the benefit of the institution.

VII. Teachers and Society

Teachers should:

(i) Recognise that education is a public service and strive to keep the public informed of the educational programmes which are being provided;

In addition to the professional code of ethics outlined by the UGC in its regulation, the college faculty is committed to follow the code of conduct outlined below:

1. The College teachers shall devote their energy to develop and improve their academic and scholarly competence, while practising intellectual honesty all the while.
2. They are committed to exercise self-discipline and sound judgment in using, extending, and transmitting knowledge.
3. It is the obligation of the faculty member to pursue professional and academic development.
4. The college teachers will make every effort to foster honest academic conduct and ensure that their evaluations of students are transparent and fair to the best possible extent.
5. The teachers shall respect the confidential nature of the relationship between professor and student.
6. Faculty members (Teaching & Non-teaching) shall avoid any exploitation, harassment, or biased treatment of students on any ground.
7. Faculty needs to openly express a zero tolerance policy toward academic dishonesty. Students who behave dishonestly should face the punitive measures consistent with the college rules and regulations. The code of conduct for students is regulated by the following rules of discipline for students.

GENERAL RULES OF DISCIPLINE FOR STUDENTS

1. SMOKING

Smoking is strictly prohibited within the College premises and is punishable with a fine of Rs. 200 (Rupees two hundred).

2. DRINKING

Drinking of any liquor with alcohol content and taking other intoxicants is prohibited within the College campus and during College functions (College Week, Inter-College Sports and other functions). Students found guilty of such prohibited acts are punishable by suspension from College for a period not exceeding one month. Such students will be prohibited from attending all other College activities/ functions. All kinds of unruly behavior, whether as an outcome of drinking alcohol or not, is strictly prohibited. Habitual offenders will be expelled from College.

3. CELL- PHONES

Active use of Cell-phone/ Ipods/ Music Players during lecture classes and practical classes is not allowed. Anyone found misusing such gadgets and indulging in such acts will have the material confiscated and parents will have to collect the same, with a fine, from the Principal.

4. DRESS CODE: All students are expected to come to College in decent costumes. Proper haircuts/ hairstyles must be maintained by all students in and around the campus.

5. RESPECTING TEACHERS: Students are expected to show respect to all teachers regardless of whether they are directly taught by them or not. Stern action will be taken against students who are disrespectful to teachers in words or in actions.

RULES OF DISCIPLINE IN CLASS ROOMS AND LABORATORIES

1. LATE ARRIVAL

Late arrival into Classrooms/ Laboratories is a breach of discipline. A student will not be allowed to enter the Classroom /Laboratory 15 minutes after classes have commenced.

2. CLASS TESTS/INTERNAL EXAMS

- a) All students are expected to appear in class tests and other internal examinations.
- b) All students must submit Laboratory Records and Assignments on time. Failure to turn in such works is a breach of College Rules and is punishable.

3. ATTENDANCE MATTER

- a) All students are expected to be regular in attendance
- b) A student must fulfill 75% monthly attendance failing which Parents/Guardians will have to meet the Principal.

4. MATTER REGARDING ABSENCE AND LEAVE

- a) Staying away from College without proper leave will not be tolerated, except when the case is sudden illness or unforeseen circumstance.
- b) After an absence from College, students must submit a letter of absence to the Principal duly signed by Parents/Guardians.
- c) Application for leave on Medical ground should be supported by authentic medical documents.
- d) Unauthorized absence from College at a stretch for a period exceeding 15 days may result in the student having his/ her name removed off the rolls and may not re-admitted.

4. MATTERS RELATING TO ATTENDANCE BY-PROXY

Tendering one's attendance through proxy is a serious breach of discipline. The punishment of guilty students is as follows:

- a) For every single offence, the attendance given through proxy plus three previous classes attended of the concerned students will be summarily cancelled.
- b) Students acting as proxy and found marking attendance of classmates have three class attendance records cancelled from the total attendance.

2. ANNUAL DEPARTMENTAL REPORT (2019- 2020)

A. ANNUAL DEPARTMENT REPORT FOR BIOCHEMISTRY DEPARTMENT

1. Name of department : Biochemistry
2. Year of establishment : 2004
3. a) Name of the Head of Department : Dr. Fanai Lalsangluaii
b) Phone No (Official) : 9436141913
c) Email : fanai.amie@gmail.com

4. **Brief Introduction of the Department (maximum 200 words):** The Department of Biochemistry has been established since 2004 in this college to encourage and cater to the growing demands for Applied Science in today's scientific sector. It was started under the headship of Pu Laltanpuia, Associate Professor from Department of Chemistry, GZRSC with minimal number of faculty, mostly through internal arrangements. As the department has eventually obtained Provisional Affiliation from Mizoram University in 2005, more batches of students were being enrolled each year and have passed out successfully during the past years. At present, Biochemistry is offered as an Elective Subject. In spite of its current demand, the department is still unable to offer Core Course in Biochemistry, which hopefully will be made possible in near future. For this purpose the department is lacking in the prescribed number of teaching faculty laid down by UGC (a minimum of 5 no. of teaching faculty), and also a Permanent Affiliation from our University. (Provisional affiliation at present, being extended for the next 3 years as on 17th Aug 2017)

The present faculty strength comprises of 2(two) regular faculties, 1(one) contract, and 1(one) from RUSA (newly joined on 20th January 2020). The subject books in the library are 346 books, supplemented by 659 books in Botany and 642 books in Zoology. Recently, added by few more books from 20 different authors. 2 (two) subject specific / allied journals are being subscribed along with numerous E-books.

Facilities available in the department laboratory are just about enough to conduct practical classes. The overall facilities available in the department is at its minimal status, infrastructure, laboratory conditions and equipments, books, etc still need to be upgraded.

Once the demand of the University has been met, keeping the future of the students in mind, further steps can be formulated to upgrade the present status to Permanent Affiliation and open Core Course in Biochemistry at the earliest.

During the onset of Covid 19 Pandemic, the department took active role/part in the following areas -

- 1) Organizing Awareness campaign
- 2) Preparation of hand sanitizers as per WHO Protocol
- 3) Dissemination of slogans/ posters relating to Covid 19
- 4) Events of protective mask making
- 5) Writing articles on its preventive measures and its other aspects, and publishing it to various local/ village level newspapers

4. Brief Introduction of the Department (maximum 200 words):

The department of Botany was established in the year 2000 at Government Zirtiri Residential Science College. The department with its seven faculty members, strive to promote an intrinsic knowledge and understanding of the subject to students who often lack the basic foundation on the subject. It aims to provide a conducive learning environment for students and to groom them in preparation for achieving their next career level. The department also tries to keep pace with the recent advances and trends in plant sciences by attending workshops, seminars, group discussions and going on field studies.

11. Study tour conducted under year of report: A study tour was conducted on 14.10.19 to Reiek forest and Zopar Farm at Vaipuanpho for the 5th Semester Botany core students. The trip was organized with a view to orient the students towards the practical aspect of their curriculum and this was achieved with the visit to Zopar farm which is one of the biggest producers of fresh cut flowers in North East India and Reiek hill forest. The second site had been selected to expose the students to the ecological and environmental aspect of their course.

 3. a) **Name of the Head of Department** : Dr. K. B. Singh
 b) **Phone No (Official)** : 9436354735
 c) **Email** : drsinghkb@gzrsc.edu.in

4. Brief Introduction of the Department (maximum 200 words) :

The Department of Chemistry was started in the year 2000. There are 3 class rooms and 1 laboratory. At present there are 7 faculty members according to the documents of Higher & Technical Department, Govt. of Mizoram. But in reality, the teachers who are engaged in teaching are only 5. Among the faculty, Mr. Laltanpuia is on deputation as Additional State Project Director, RUSA and Dr. Zirlianggura is also on deputation as NSS Nodal Officer under Sports and Youth Services Department, Govt. of Mizoram. As Chemistry is a central subject, majority of the students choose Chemistry as one of their elective subject. So, the teachers who can engage in teaching are less in proportion to the number of students, theory and practical classes.

Chemistry Department offers three main branches of Chemistry - Organic, Inorganic and Physical Chemistry. Besides these, other branches like Analytical Chemistry, Industrial Chemistry, Natural Products, Medicinal, Environment, Green Chemistry and Material Chemistry are also included in the syllabus. The teachers work very hard for the students, they conduct remedial & special classes for Chemistry students and repeaters from time to time. The faculties are regularly involved in setting questions, moderation, and evaluation of the university examination. Most of the students come from remote villages of Mizoram, they are average or below average students in their academic records. But due to the efforts given by teacher and students in studies, the department always has university rank holders. Besides class room teaching, students are also guided to visit industry and other important places, guide and help them to participate in Science exhibition which are related to their syllabus.

D. ANNUAL DEPARTMENT REPORT FOR COMPUTER SCIENCE

1. **Name of department** : Computer Science
 2. **Year of establishment** : 2003
 3. a) **Name of the Head of Department** : C. Lalrinawma
 b) **Phone No (Official)** : 9436366800
 c) **Email** : lalrinawma.c@gmail.com

4. Brief Introduction of the Department:

The Department of Computer Science was established in the year of 2003 as one of the first Computer Science Department offering Bachelor of Computer Applications (BCA) in the College, under Higher & Technical Education, Government of Mizoram funded by Development of North Eastern Region (DoNER). At a time when IT industries and technology changes took place globally and the youth of the state are eager to explore the field of Information Technology, the Department was set up by the Government to meet the demand and hunger in the field of Information Technology. And, it was set up as a self-finance department in the institution. The faculty members are highly qualified and productive educators. Eight faculty members are working to educate the students. Bachelor of Computer Applications (BCA) is a 3-years under-graduate degree course and is affiliated to Mizoram University (MZU).

Well-equipped computer labs are available for the students. A networked laboratory has been set up and established to provide a networked environment for the students. Broadband Internet facility is available free of cost so that students can have access to an unlimited wealth of information on the net. Audio-visual peripheral devices are available for teaching along with the system. The computing resources were also used by different departments and for the Faculty Development Program by the College.

E.ANNUAL DEPARTMENT REPORT FOR ELECTRONICS DEPARTMENT

1. **Name of Department** : Electronics
 2. **Year of Establishment** : 2003
 3. **a) Name of the Head of Department** : Dr. Ricky Lalmangaihzuala
b) Phone No (Official) : 9862364797
c) Email : [rickylralte@gmail.com](mailto:rickyralte@gmail.com)

4. Brief Introduction of the Department (maximum 200 words):

The Electronics department has been introduced to keep pace with emerging trends in the field of research and development. Conventional subjects in computer era will not be able to provide sufficient information to the fast growing technology. Aware of this basic need, the college also put forward a proposal for establishing Electronics department in 2002 to the Government of Mizoram. At the same time, requirements were collected and after receiving a green signal, Electronics Department was established in 2003 starting with first year B.Sc. students. The first batch appeared for exam in 2003 under NEHU.

At first the Department was manned by three permanent teachers. However, two of them left the college and joined the Mizoram University as faculty members. In addition, another faculty left the department and joined as academic officer in Mizoram Board of School Education (MBSE). Recently, on 17th March 2020, new faculty members have joined the department as Assistant professor under RUSA scheme.

As per the letter No. MZU/CDC-3/9/20/2480 issued on 10th July 2020; the department is authorized to open Core course for a period of 1 (one) year by the 38th meeting of the Academic council on 23th June 2020, Vide its Resolution **No. AC: 38:4(14): III (A)**.

Now the department is looked after by four (04) Assistant Professors. Dr. Ricky Lalmangaihzuala took over charge as the H.O.D (Head of Department) on 18th July, 2019 till date.

Type of affiliation: Temporary to MZU. Presently only General papers are allotted to this department.

4. Brief Introduction of the Department (maximum 200 words):

The English Department came into existence when the college was first established as Zirtiri Women's College in 1980. When the college was amalgamated with other science departments and came into existence as a purely science college in the year 2000, the department was adopted as one of the departments in the newly created Science College. The department offers General English courses in all the three streams i.e. Science, Home Science and Computer Science and has been utilizing the language laboratory to enhance the oral communication skills of the students. The department has always endeared itself towards the development and progress of the college.

3. a) Name of the Head of Department	:	Dr. C. Zoramthara
b) Phone No (Official)	:	9862501735
c) Email	:	czoramthara@gzrsc.edu.in

4. Brief Introduction of the Department:

Geology is the study of the earth and its natural resources. The field of geology involves the study of earth materials and processes. Geologists study all the concepts of earthquakes, landslides, floods, droughts, volcanic activity, ocean water currents (el Niño), types of soil, fuel oils, minerals (gold, silver, uranium), and so on. Many business enterprises rely on the information generated by geology and geologists for their activity. Gold, diamonds, silver, oil, iron, aluminium, and coal are all natural resources obtained from the Earth. These materials serve as the basis for many business enterprises. Thus, the study of geology plays an important role in modern life and civilization.

The Department of Geology was established in July 2013 as the government of Mizoram realized the importance of the subject in the fields of oil and natural gas exploration, construction of dams and reservoir, disaster management especially in the field of earthquake and landslide; exploration of mineral resources and ground water of the country.

H. ANNUAL DEPARTMENT REPORT FOR HOME SCIENCE DEPARTMENT

1. Name of department	:	Home Science
2. Year of establishment	:	1980
3. a) Name of the Head of Department	:	Mrs. Lalrinngheti Ralte
b) Phone No (Official)	:	9436159575
c) Email	:	Lalrinnghetijofi@gmail.com

4. Brief Introduction of the Department (maximum 200 words): The initiation of Home Science studies was recommended by Mrs Chapman, a pioneer missionary. After Mrs Lalziki Sailo took over from Mrs Chapman the department had been functioning with Arts departments under Zirtiri Women College. After amalgamation, it came under Govt, Zirtiri Residential Science College for which the requirements was inter-science.

B.sc Home Science is an under-graduate Home Science professional course. The degree course mainly comprise of the study of major topics of Home Science like Fundamentals of Food and Nutrition, Resource Management, Human Development, Fabrics and Apparel Science. In other words, B.Sc Home Science is a degree course that includes the study of many disciplines such as Chemistry, Physiology, Biochemistry, Economics, Rural Development, Child Development, Hygiene, Sociology, Family Relations, Community living, Art, Food, Nutrition, Clothing and Textile, Home Management etc. The duration of the course is three years and the syllabus for the course is divided into six semesters.

At present, the department is functioning with 12 faculty members with different disciplines, one laboratory assistant and one laboratory bearer. The department also has two laboratories which is not sufficient for different subjects. Family resource management and Food and Nutrition share their practical in one room and Clothing and Textiles and Chemistry share their practical in one room.

I. ANNUAL DEPARTMENT REPORT FOR MATHEMATICS DEPARTMENT

1. Name of department : Mathematics
2. Year of establishment : 2000
3. a) Name of the Head of Department : Leishangthem Budha Singh
b) Phone No (Official) : 9862373643
c) Email : lbudhasingh@gmail.com

4. Brief Introduction of the Department (maximum 200 words):

The Department of Mathematics was established in the year 2000 in GZRSC. Mathematics subject has been offered as a Core subject since its introduction. The number of teachers at the time of establishment was four (4), viz. Dr. P.C. Pandey, Dr. Urmila Pandey, Mr. L.B. Singh and Mrs. Parijat Kumar. Dr R. Lalawmpuii joined as a part-time teacher in 2007 and continued her service till 2012. She later joined as a contract teacher in 2015 and was given appointment as regular teacher in 2018. Mr. Lalhmangaihzuala joined as a part-time teacher in 2012 and was then engaged as a contract teacher in 2017. Mr. Lalngaihawma joined as a contract teacher in 2017. Mr. David Rosangliana joined the department from Govt. Serchhip College on November, 2019. Mr. Lalngaihawma left the department on transfer and joined Govt. Kolasib College on November, 2019.

Some of the recent successes made and the awards received by faculty members and students are

- Zathuama got 1st position in the University Examination 2013.
- V. L. Muankimi Hrahsel got 2nd position in University Examination 2014.
- Rita Kumari Katwal got 3rd position in the University Examination 2014.
- Sudha got 6th position in the University Examination 2014.
- F. Lalramluahpuia got 8th position in the University Examination 2014.
- Zothangpuia got 10th position in the University Examination 2014.
- Dr. R Lalawmpuii, Assistant professor got a Ph. D degree in 2014.
- Mohan Kumari Katwal got 5th position in the University Examination 2015.
- T. Zothansanga got 6th position in the University Examination 2015.
- Dr. Lalhmangaihzuala, Assistant professor got a Ph. D degree in 2015.
- Mohan Khatri got 3rd Position in University examination in 2016.
- Raphael Lalchhanchhuaha got 10th Position in University examination in 2016.
- C. Zoramawia got 2nd position in University examination in 2017.
- Lallungkhama got 4th position in University examination in 2017.
- Lallianmawii got 7th Position in University examination in 2017.

J. ANNUAL DEPARTMENT REPORT FOR PHYSICS DEPARTMENT

1. Name of department : Physics
 2. Year of establishment : 2000
 3. a) Name of the Head of Department : Dr. Arup Kumar
 b) Phone No (Official) : 7005858362 / 9862373681
 c) Email : arupk08@gmail.com

4. Brief Introduction of the Department (maximum 200 words):

Department of Physics was started in the year 2000 and currently there are five Associate Professors and no temporary faculty. The contribution of motivated and well qualified teaching faculty generated a number of successful students, who are now working in various public and private sectors. The department consistently produces students who are qualified in admission entrance of reputed institutions all over the country.

In addition to active classroom teachings, the faculty members are actively involved in research work. Three teachers have PhD degree while one teacher is actively pursuing his research work. Presently there is one BRNS sponsored project in the department and one student is pursuing PhD under the guidance of one of the faculty members of the department.

The department received on an average about 100 numbers of application for admission to BSc in Physics in the first semester. However, the ideal capacity with an existing facilities like classroom and Laboratory is much less than the total number of the applicant. Still the number of students in the first semester exceed the intake capacity of the department due to high demand from the public. It is our wish and hope that we can admit more number of students once we move to the new college campus at Durtlang.

K. ANNUAL DEPARTMENT REPORT FOR ZOOLOGY DEPARTMENT

1. Name of department : Zoology
 2. Year of establishment : 2000
 3. a) Name of the Head of Department : Caroline Zaihmingthangi
 b) Phone No (Official) : 9089932798
 c) Email : czaitei@gmail.com

4. Brief Introduction of the Department (maximum 200 words):

The Department of Zoology has been established in 2000. The present faculty strength comprises of 5 regular Associate Professors and one attached Associate Professor. The subject of zoology deals with topics right from the microscopic living beings (Viruses, bacteria protozoa) to multicellular organism upto mammals (Dinosaurs and human beings). As the study of Zoology is interesting and captivating, it attracts the students immensely. As per UGC guidelines (adopted by MZU) the syllabus has introduced recent trends and advanced topic from Bioinformatics, Biotechnology, Molecular Biology, Environment etc. and provides insight into how "life" works, and, consequently, how we work.

However, due to health issues, Dr.Lalhmingliana Hnamte resigned as the co-ordinator on November 2019.The General body meeting appointed the Asst.Co-ordinator Lalrinsangi Nghinglova as the new co-ordinator and M.S Dawngliani and Dr Lawrence Zonunmawia Chhangte as Asst.Co-ordinators.

Following is a report of the activities of the IQAC during the academic year 2019-2020.

1. *Preparation of Academic calendar:* Academic calendar for the Odd and Even semesters during the reporting period were prepared and displayed at prominent places in the college campus. They have also been uploaded on the college website.
2. *Library Orientation for freshers:* During 3rd -8th July 2019 Library orientation was organised in collaboration with Library sub-committee for the newly admitted students to offer them a better understanding of the workings of the Library.
3. *Mentoring of Students:* Grouping of students and assignment of teachers to the students was done by the IQAC. The IQAC monitored and supervised the mentoring system and assigned dates for Mentors-mentee meet. The assigned dates were included in the academic calendar. Reports from each mentors were received by the IQAC and were compiled for inclusion in the college yearbook.
4. *Award for Best Performing Department:* The best performing department was chosen for the academic year 2018-19.In the preceding year Electronics department was chosen as the Best department. The selection was made on the following criteria:
 - i. Regularity of submission of department report
 - ii. Activity of department submitted in their reports
 - iii. Submission of supporting documents and evidenceBased on the above criteria Best Department award 2018-19 was given to the Department of Home science
5. *Publication of Yearbook 2018:* The IQAC felt proper documentation of events and activities is of great importance. Hence a College Yearbook 2018 was published and released on Fresher's social 2019.
6. *Student's feedback:* Feedback from students were collected with slight modification on the old feedback form. The feedback was collected by individual teachers and after self-study of the feedback was done, it was submitted to the principal for necessary action.
7. *National Short training course on Research Methodology:* The IQAC in collaboration with the Research and Seminar sub-committee organized national level Short training course on research Methodology during 12th -17th August 2019 under the auspices of Psychology Department, MZU.
8. *Meeting with sub-committees:* On 26th August 2019 the IQAC had a meeting with representatives of all the sub-committees created by the IAC to ensure quality enhancement

and teamwork. The meeting was called to reflect upon the progress made by individual committees and to make necessary changes wherever required.

9. *Parents – Teacher Meeting*: The IQAC organized Parents-teacher meeting on 29th August 2019. Separate meetings were held for Home Science and BCA. Feedback was collected from Parents and necessary actions were taken upon their suggestions.
10. *One day NAAC awareness workshop*: One day NAAC awareness workshop was successfully held on 25th September 2019. Two renowned resource persons were invited:
 - i) Professor Lalnundanga, Registrar, MZU
 - ii) Dr Lalbiakzuali, Assoc. Professor GHBC
11. *Self–Defense class for Female students*: The IQAC in collaboration with women’s study committee organized a self-defense class for 5th semester female students on 24th October 2019.
12. *Submission of AQAR*: The new system of AQAR submission and the change of office of Principal resulted in delay of submission. However AQAR 2015-2016, 2016-2017, 2017-2018 were submitted by January 2020. The next AQARs were put up in our portal in early March 2020. However, with the lockdown being in force the date for submission has been extended by NAAC. Hence, the next two AQAR 2018-19 & 2019-20 are being prepared and will be ready for submission by October 2020.
13. *Learning Management System*: LMS has been developed by the college under the initiation of the IQAC with the college Webmaster Mr H.Thangkhanhau taking care of all the technical details. To encourage faculty members to create e-contents a special training on e-content development was organized on 10th February 2020 for representatives of each department. The webmaster gave the training to the selected faculty members. As a result 27 video tutorials on the syllabus have been created and uploaded on our college website for the benefit of the students.
14. *Activities during Lockdown Period*: With major setback imposed by the lockdown due to covid-19 the IQAC turned to technology and digital learning. In spite of the suspension of classes, the institute has continued to reach out to the students through the mentoring system and class whatsapp groups. Following is a list of initiatives taken by the IQAC under the chairmanship of the Principal and in collaboration with other sub-committees.
 - i) *Completion of Syllabus through online classes*: The IQAC took the initiative to ensure that learning continued inspite of the lockdown. It worked in coordination with the Principal and Heads of department to find ways and means to continue teaching in the online mode. Many departments used google classrooms to continue teaching. Materials were provided to students via whats-app.

- ii) *LMS development*: As mentioned above, training had been provided to teachers on e content development. During the lockdown the need for such materials were greatly felt and as many as 27 video tutorials were prepared by the concerned teachers on topics contained in the syllabus. These videos have been uploaded on the college website for students to access anytime.
- iii) *Conduct of tests and assignments*: Tests, internal examinations and assignments were given to the students within a time frame scheduled by the Heads of meeting and IQAC through the online mode. As a result all internal marks were prepared and submitted on time. Students have been instructed to maintain their hard –copy for authentication.
- iv) *On-Line admission*: The IQAC in collaboration with the admission committee has taken the initiative to start online admission system from the new academic session. The technical details were worked out by the Webmaster and endorsed by a joined meeting of the IQAC and admission committee via ZOOM meeting.
- iv) *Monitoring of Mental Health of students* : The IQAC under the chairmanship of the Principal has set up a helpline by appointing the already existing Evangelical and Spiritual Counselling committee as it consist of teachers who have already gained expertise in providing mental and spiritual help to students. The Students were informed through whatsapp and the website about the existence of the helpline.
- vi) *Ensuring safety of female students*: With the lockdown imposed there are reports that Domestic violence is on the rise. The IQAC authorized the women’s studies committee to take necessary action as the college is deeply concerned about the welfare of our students. The Women’s studies committee teamed up with the women and Child cell, Social welfare Department, Government of Mizoram. The women Helpline number was disseminated via whatsapp and college website so that students may reach out for help
- vii) *Online Personality Development course*: The Student Support Committee, supported by IQAC and RUSA was all set to organize the 8th Personality Development Course this year when the Pandemic hit and almost everything we were familiar with had to undergo a change. We had two options: cancel the program or wait for better days. But cancelling the program would be a great loss to our final year students as we believe the course will provide them with life skills that are so crucial for them. So the committee decided to initiate the online mode of the course and made necessary contacts and arrangements. Our resource persons were contacted and they willingly decided to support us in our venture. Our Member Sir H.Thangkhanhau took up the task of arranging the technical details. We decided to use Cisco Webex and the

students were invited through whatsapp to download the app and the join the course which were to be held between 19th June -23rd June 2020 from 5:00 pm. Feedback was collected via online mode after every session and an overall rating on the course showed that the course was a great success. Most of the Resource persons and the courses introduced were rated as excellent. E-certificates were awarded to all participants after the end of the four –day’s session.

- viii) *Collaborations with Imade for add-on courses(online mode)* : Collaborations are underway to start online add-on courses in collaboration with Imade(Innovations in Mobile Application and Development Eco- system) which brings hassle-free quality online education to students from most reputed global institutions such as Harvard, MIT, Stanford, IIM- Bangalore and Imperial Business school. With the university exams around the corner, the courses are yet to be started. Collaborations are being made with IIT Bombay for online spoken tutorial classes for both students and faculty.
- ix) The Student support committee under the supervision of the IQAC has used digital technology to identify students affected economically by the pandemic and other natural disasters. Contributions from teachers were made through online Banking. Collections to the tune of Rs 1,70,600 was received and as many as 17 students who faced financial crisis were given financial support via online banking. This has been done to ensure that student continue their education despite financial crisis and avoid dropping out.
- x) *Appointment of Auditors:* Appointed auditors for endowment Fund, Staff welfare fund and MCTA fund. Also conducted Internal Academic Administrative Audit (AAA)

XXXVI. Emergency Committee on College Response to COVID-19

Members: Prof. B. Zoliana, Principal
Dr. Lalzahawmi Chenkual
Mrs Zodinpuii
Mrs. Lalrinsangi Nghinglova
Dr. Fanai Lalsangluaii
Mr H.Thangkhanhau
Dr. Ricky Lalmangaihzuala

Objectives:

The outbreak of Covid-19 has posed a serious threat world-wide. The Virus was first identified at Wuhan, China in December 2019 and since then it has spread across the world. The World health organization had declared it a pandemic and Nations have been fighting the Virus across the globe. What is most worrying about the Virus is that it is highly infectious and there is no known cure or antiviral for it. Vaccine against the virus is still being developed and as the virus spreads across India the only measure we can take as an institute is preventive in nature. The college has urgently felt the need to react to the crisis and has taken some of the preventive measures highlighted as below:

Activities:

1. A committee was urgently constituted by the college on 12th March 2020, comprising of 7 members under the chairmanship of the principal. An emergency meeting was held on the same day.
2. As an outcome of the decision taken by the emergency meeting, awareness Programme on Covid -19 was organised by the committee on 16th March 2020 at the college auditorium. All the students of the college, teaching and non-teaching faculty members attended the programme.
3. Numerous posters /slogans containing important information on covid-19 Viz- symptoms, transmissions, precautionary measures were prepared by the committee in the local vernacular and disseminated through our college WhatsApp groups and other WhatsApp groups
4. As per government Notification No A.1034/1/2019-HTE dt Aizawl the 17th March 2020, classes in the college campus have remained suspended from 17th March 2020 till date, to ensure the safety of our students.
5. In spite of the suspension of classes, the institute has continued to reach out to the students through the mentoring system to ensure that learning is not interrupted as far as possible. The IQAC had earlier taken a decision to introduce LMS (Learning Management system) and had trained a number of teachers to develop e-course content. During this period the webmaster put in extra effort to introduce the system and as a result LMS was initiated on 24th March 2020. Some teachers are conducting online classes /assessment for core groups, study materials are being uploaded on the website and disseminated via WhatsApp.

6. A response team spearheaded by the Department of Biochemistry was constituted under the initiative and funding of the constituency MLA Dr. Vanlalhana and with the support of the Principal. The response team comprised of Bio-chemistry teachers and volunteer teachers and students from other departments as well. The team was constituted to meet the rising demand for hand-sanitizers and to mitigate shortage of a commodity which is crucial in prevention of the virus spread. 1210 liters of hand sanitizers were prepared on the 23 & 24th of March 2020 at the college laboratory as per WHO guideline. The Product was distributed to the Local task Force
7. With the rising demand for protective gears, a need was felt by the college to respond to the growing need of the Community. A new response team to stitch protective mask was again constituted with volunteers from Home Science Department and with funding from the constituency MLA. The work has started from 28th March 2020. Materials were delivered to the homes of the volunteers with utmost precaution and they have been stitching the masks from the safety of their homes taking all necessary safety measures. A total of 1218 masks were stitched some of which were dispatched for use at the Bairabi and Mamit border. They were handed over to the District level Task force Office by the Principal on 22nd April 2020. Some masks were distributed to the Directorate of Higher & Technical Education and the Office of RUSA SPD on the same day. The rest were distributed by the Constituency MLA who had funded the materials
8. The department of Biochemistry prepared an article on covid-19 (nature, transmission, precautions etc) in the local vernacular to create awareness to the local community especially those living in the rural areas. The articles have been published in several local bulletins
9. The teaching and non-teaching faculty of the college donated one day salary amounting to Rs 3,48,895 (Three lakhs forty eight thousand eight hundred and ninety five only) towards the Chief Minister's relief Fund for Covid -19 on 12th April 2020
10. The NSS unit of the college donated 15 units of blood to Aizawl Civil Hospital to meet emergency requirements during the Lockdown. NSS unit of the college sent several volunteers to help in maintaining Social Distancing at Bara Bazar on 11th April 2020. NSS P.Os had assisted in the making of the hand sanitizer at the college during 23 & 24th march 2020.
11. In response to the letter D.O No Secy (HE)/MHRD/2020 dated 4th April 2020 received from the University grants Commission the IQAC, under the chairmanship of the principal has set up a helpline by appointing the already existing Spiritual counseling sub-committee to spearhead the task of providing mental support to students. The Sub-committee had chosen the committee as it consist of teachers who had already gained expertise in providing mental and spiritual help to students. A helpline has been created thereafter and students have been made aware of the same.
12. Regular mentoring of students has continued. Faculty members have been reaching out to the students through the mentoring system. Learning has continued through the system and the physical and mental well-being of the students has also been monitored through the mentoring system. Each mentor has contacted his/her mentees and has submitted their report to the heads of Department who in turn have submitted the departmental report to the principal. From the reports received it can be concluded that there are no students who are experiencing any kind of physical or mental problem. Most of them are staying in their own homes with their families during the lockdown and have continued with their studies through online classes (google classroom), notes disseminated through whatsapp etc

Assignments have also been given and assessed via whatsapp and email

13. Students in need of financial assistance due to the lockdown as well as Natural hazard occurring in their villages have been identified through the mentoring system. Teaching & Non – teaching Faculty members including two ex-principals of the college have donated money towards the cause and have been distributed to the needy students.
14. The video link of the Ministry of Health & Family Welfare have been uploaded on our college website. Thee link contains practical tips to take cake of mental health minding our minds during the Covid-19, etc.

APPENDIX – II
REPORT AND FEEDBACK ON FINANCIAL ASSISTANCE GIVEN TO STUDENTS DUE TO COVID-19 AND NATURAL DISASTER AT HLIAPPUI

Lalrinsangi Nghinglova
Secretary
Student Support Committee

Even as the nation was in lockdown due to Covid-19, and staying home was one of most essential prevention one could take in view of the fact that no treatment and vaccine has been discovered, another disaster struck the village of Hliappui in Mizoram whereby due to the severe hailstorm some homes were rendered uninhabitable. The teachers of our college instantly contacted their mentees to find out victims of the natural disaster and identified some of them. The Faculty (Teaching & Non-teaching) felt the need to offer financial support and donated towards a special Endowment Fund. Two ex-Principals of the college generously donated toward the same cause. The total amount collected towards financial assistance was Rs 172,600. With the tremendous response from the faculty, a need was felt to reach out to students who are undergoing financial crisis due to the Lockdown. The student Support committee was entrusted with the task of identifying students in need of financial assistance due to the lockdown and the disaster to find ways of disseminating the fund to them. The emergency meeting of the student support committee identified 17 such persons and worked out methods of disseminating the same.

Following is a summary of some of the responses received from students. Their responses have been translated into English.

Sir,

First of all, I bring you greetings on behalf of the family of Lalawmpuia, 4th semester (Physical) student of your college. We want to thank you for not only taking care of his academic life, but also for taking

active interest in his personal life and providing him with financial assistance. Recently our village was hit by a natural disaster and many houses were destroyed by the severe hailstorm. The Principal and Staff of your college rose to the occasion and supported us with a substantial amount of money which was beyond our imagination. May God bless you and the institute for providing such support to your students in addition to the teaching you provide them. I have also learnt that in addition to the teaching provided by the students, your institute takes active interest in their well-being and financial situations as well. Your institute is the only one that I know that has such a commendable practice of distributing students and monitoring them so carefully. You deserve to be lauded and I wish you all the best in your future endeavour. You may kindly discipline and advice my ward whenever he needs counselling. My sincere thanks to the entire college staff. Long Live GOVERNMENT ZIRTIRI RESIDENTIAL SCIENCE COLLEGE!!!

I'm not very good at expressing myself. I have done my best in writing down my gratitude and I hope my readers take it in good spirit. My name is Vanlalmalsawmdangzeli who is to be admitted to 3rd semester B.Sc. The money I had saved up for college admission had to be used for other purposes due to the lockdown. I tried to earn some money for the exam fees by doing household chores at other people's homes, but whatever I saved up from there also finished due to the lockdown. When the student support committee heard my plight they reimbursed my exam fee and provided money for admission for which I am so grateful. May God bless you all abundantly. I have been motivated to study hard and do my best. I am fortunate to be admitted to such a good college where teachers show so much concern for their students. I am so grateful for the kindness you have shown me. May God bless you back abundantly for everything you have done to me.

My name is Henry K. Hmar a student of II semester Life science. I come from Vaitin Village and at present I reside in rented house at Zemabawk locality from where I attend college. I was able to attend college with the support I got from my family and the little earnings I make from doing small tasks. Unfortunately my sister who had been providing for my studies was unable to give me financial support and I was not able to find part time job due to the lockdown. As a result I faced deep financial crisis and was no longer in a position to continue my studies. The Student Support Committee heard about my problem and gave me Rs.10000 from the fund they had collected from teachers. I wish to thank all the faculty members who contributed towards the fund. Your act of kindness has motivated and challenged me and has given me the hope and strength to face the odds in life. With your support I will do my best and like all of you I will try to help others and be a blessing to them. Thank you.
